WERNER

Precise pipetting with no compromises!

The successful **UltraPoint®** geometry of our TipOne® tip range **is now available as a 200µl Filter Tip**. Now you can combine the advantages of our market-leading TipOne® HDPE filter with the thin-wall technology of our UltraPoint® tip for the highest security, accuracy and precision.

FEATURES & BENEFITS

- UltraPoint® orifice with extremely small diameter prevents sample 'hang-up'
- Flexible tip collar for easy tip loading and ejection
- Excellent clarity provides better visual sample identification
- Graduated at 50 µl, 100 µl and 200 µl
- Perfect fit with all popular pipettes
- Highly effective filter blocks >99% of aerosols
- Certified RNase, DNase, DNA and Pyrogen free
